

1st Team/Club Captain's Responsibilities

- Support the Board with its 2021 & Beyond vision for the club offering ideas and helping to enthuse & engage members
- Take an active interest in all sections of the club (juniors, women & girls' and seniors) and help to integrate new members
- Be an active member of the cricket committee, attend meetings and be passionate about providing the best environment and facilities for our members to flourish.
- On field captaincy in league games
- Liaise with opposition Captains where fixtures are in doubt due to weather, selection or other issues that may cause the cancellation of a fixture
- Work with the Play Cricket administrator to ensure all squad playing members are registered with the league by required date.
- Work with the Membership Administrator to ensure all squad playing members being considered for selection have paid their subs.
- Responsible for ensuring their team plays at all times within 'the spirit of the game' and the laws of the game
- Ensuring results are provided to press before 8.30pm on day of match using the appropriate channels (phone, e-mail, Social Media)
- When playing a home fixture, ensure Playcricket match data is completed in the appropriate time frame (reference SEWCL League guide for details)
- Arrange collection of match fee and ensure money is handed to appropriate club officer.
- Writing of match day reports and completing captain's report on play cricket
- Attendance at weekly selection meetings in playing season
- Encouraging players to attend club training night to practice, play and socialise in order to grow and strengthen the club.
- Must complete DBS vetting paperwork as directed by club welfare office which must be refreshed every 3 years.
